7. When a student submits an inquiry form on the institute details page, the inquiry details should only be visible to the counselors of that specific institute. Other institute counselors should not have access to it.

8. When a student asks a question using the 'Ask to Expert' feature, the question should be visible to all counselors

9. add this banner in career page and courses page and also add event banner and Talk to counselor banner

10. The "Webinar" option is not visible in the student dashboard and frontend. Please check and ensure it is displayed correctly.

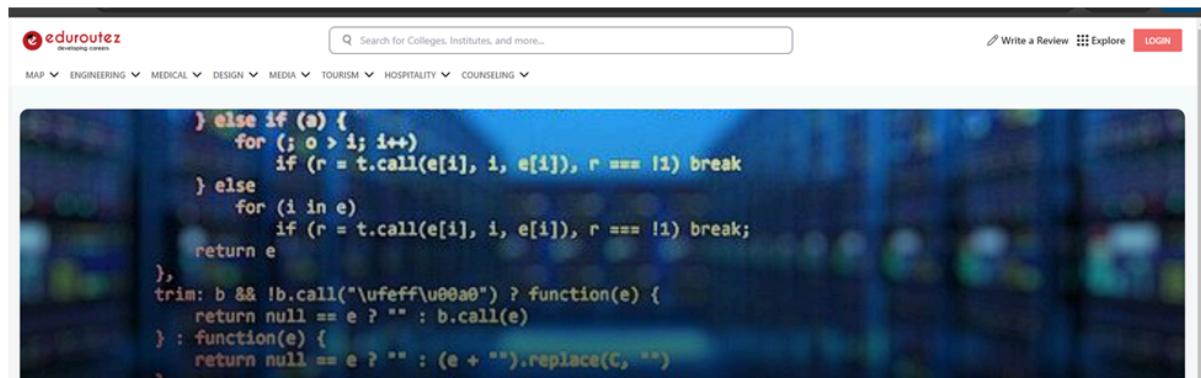

11. Add the title of latest News and when we click on news title also redirect to view more page

The screenshot shows a news section on the eduroutez website. It features two news cards. The first card has a thumbnail of a building, the title 'sdfgthjkljhgf', and a snippet 'szdfghjkklkjhgfd'. The second card has a thumbnail of a computer screen with code, the title 'news', and a snippet 'Indian benchmark equity indices Sensex and Nifty50 rose on Tuesday, led by gains in banking and financial...'. Each card has a 'Read More' button at the bottom.

12. Add counsellors banner and Event Banner in single row

The screenshot shows a large event banner on the eduroutez website. The banner features a woman dancing with headphones, the text 'Join us Celebrate with us', a 'Join now' button, and details for a 'SATURDAY NIGHT PARTY EVENT' on 'JUN 26 9PM'. It includes a DJ list: 'DJ SUPENO / DJ KAZWANTO / DJ MBELZD'. Below the banner is a footer navigation bar with sections for Trending Careers, Popular Courses, and Other Links.

13. The new design should similar to Shiksha.com, and when users click on a news title, it should open the full news article.

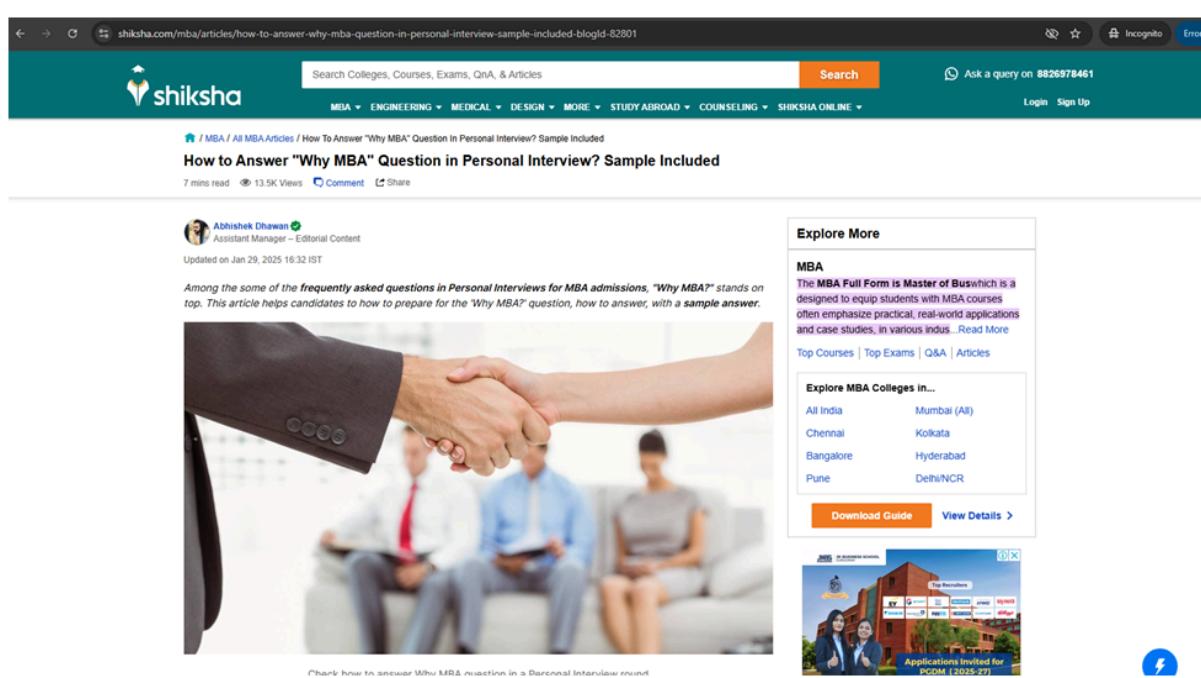

The screenshot shows a news article from eduroutez. The title is "news". The content of the article is a snippet of JavaScript code with several syntax errors, including multiple closing brace characters and incorrect character escaping. The code appears to be a modified version of a function, likely related to JSON parsing or manipulation.

14. On the review page, allow users to select a country and then a state. Once a state is selected, users can search for a college by typing its name, with an option to filter college names by alphabet letters.

The screenshot shows a web browser with a form titled "Personal Details". The "College you are reviewing" field has a dropdown menu open, listing several colleges. The visible options include "Lokmanya Tilak College of Engineering", "Tilak College of Science and Commerce", "Government Tilak College", "S.P.Mandals Tilak College of Education", "Vidya Tilak College", and "Gaurtai Tilak College of Nursing".

15. Show the University name in url

The screenshot shows a web browser displaying a college profile page for "manipal". The URL in the address bar is <https://eduroutez.com/institute/6794ae7073d33e647416d181>. The page features a large image of a building, the college's name "manipal" in a prominent font, and a star rating of "★ (4.3)". There is a live chat window with a message from "Customer Support" saying "Hi! How can we help?". Below the main image, there is a "Download Brochure" button and a "I have a question" button. At the bottom, there is a search bar with the placeholder "Type here and press enter.." and a "Ask Query" button with a red "Ask" icon.

16. In the previous project, when clicking "Edit Institute" from the admin dashboard, it would directly redirect to the institute dashboard. However, this functionality is not working as expected now.
